

**Research Experience for Undergraduate Students (REU)
Summer Program Application Form**

2017 REU UCLA Physics & Astronomy Summer Program

June 25 to September 1, 2017

Application Submission Deadline: February 17, 2017

Please complete and submit this application form along with a personal statement and transcripts by February 17, 2017. Letters of recommendation should be sent separately via U.S. mail or email reu@physics.ucla.edu.

Please note that complete application packets will be considered as they arrive. Admission will be done on a rolling basis starting February 10, 2017.

Your complete REU application must include the following items:

- Completed application form
- Personal statement
- Two letters of recommendation, preferably from Math and/or Science faculty at your institution. The letters should be written on university letterhead.
- Official Transcript

Mail completed form and all other application material to:

REU Program
University of California, Los Angeles
Physics & Astronomy Department
1-707A PAB
Los Angeles, CA 90095-1547

Personal Information

Name

Permanent Address

Address while at school

Permanent Phone

Phone

E-mail Address

Emergency Contact (phone and address)

Social Security Number (last 4 digits only)

Race/Ethnic Group (optional):

African American
Asia
Caucasian
Latino
Native American
Pacific Islander

Gender:

Female
Male

Decline to state

Academic Experience

Names of Colleges Attended

Major Field of Study

Current Class Level

Anticipated Date of Graduation

Overall GPA

GPA in Physics and Math

Honors and awards

Plans after Graduation

Practical Experience in research laboratories --academic instruction labs, electronics, or related work experience. Please note that previous experience is not necessary to be admitted to this REU but your answers to the following two questions will help us in the design of our program

Experience in computer programming (type of computer, language or software) either through taking a class, or through personal training

Personal Statement

Attach a typed essay (250-500 words) describing your academic and research goals and how participation in the UCLA REU summer program would help you achieve those goals.

Please rank in order of preference the different projects offered under this program.
